The gate notice — nobody enters without an induction, and this is where to get one

KD-NOT-IN-011 Rev A0

CDM 2015 reg 13(4)(a) and (b): the principal contractor provides a suitable site induction and takes the necessary steps to keep unauthorised people out. The gate notice is the point where the two meet: nobody passes it without an induction, and it says where to go to get one. The induction itself is recorded on KD-CDM-IN-009 and indexed on KD-SITE-IR-003; a visitor is briefed and escorted on KD-SITE-VR-002 instead. Print at A3, at eye level for someone standing at the gate, and the number on it answered.
