

WELFARE FACILITIES NOTICE

DISPLAY IN THE WELFARE

Where the toilets, washing, drinking water, rest room and drying room are, and their hours

KD-NOT-WF-010 Rev A0

CDM 2015 reg 13(4)(c) and Schedule 2: the principal contractor ensures that toilets, washing facilities with hot and cold water, drinking water, changing and drying rooms and a rest room are provided for the whole of the construction phase. This notice tells the people on site where they are, when they are open and who to tell when something is wrong; it is filled in at set-up (KD-INS-SU-011), redone when the compound moves, and the weekly check that the facilities are still fit to use is KD-INS-WF-031.

3 THE RULES OF THE WELFARE

Leave it as you would want to find it. Boots off or cleaned before the rest room. No smoking or vaping in any cabin. Food waste in the bin, not the sink. Nothing is stored in the drying room but clothing. Tell the site office the same day if anything is broken, blocked or empty — a toilet nobody reports stays broken.
