

WORKING HOURS AND CONSIDERATE SITE NOTICE

DISPLAY ON THE HOARDING

For the neighbours — our hours, our noisy work, who to call and what we have promised

KD-NOT-WH-015 Rev A0

The notice for the people who live and work next to the site. Control of Pollution Act 1974 s.60 lets the local authority set the hours and the methods for construction noise, and s.61 lets the site apply for consent to them in advance; BS 5228-1:2009+A1:2014 is the code of practice both sides work to. Whether or not a notice or a consent exists, the neighbours are owed the hours, a way to reach a person who can act, and warning of the noisy days — this notice on the hoarding is that. The monitoring log is KD-SITE-NM-023 and the public interface plan, where the site adjoins a school, a shop or an occupied building, is KD-TM-PI-005.

WHAT WE HAVE UNDERTAKEN TO DO

Keep to the hours above, and tell you in advance of any work outside them. Warn you before the noisiest work, and keep it short. Keep the footpath and your access clear, the road clean and the hoarding tidy. Answer a complaint the same day, and tell you what we did about it. Keep the lights and the radios off when they are not needed.
